Backing pad for angle grinder

Standard backing pad

hard
5/8" + M14
Ø 115/125/180 mm
for grit > 60

Turbo pad

hard
5/8" + M14
Ø 115/125/180 mm
for grit < 60

Advantages

- ☑ High performance for stock removal
- ☑ Firm fibre backing
- ☑ Wide grit range available
- ☑ Aggressive cut due to special structure of the coated abrasive
- ☑ Colour identification of the product guarantees the right product for the right application
- ☑ Active additives ensure a cool cut

Application recommendations

Ideally suited to large-area grinding
Deburring and dressing castings
Dressing welded seams
